Methodology

With effective from 01 October 2006, TG has adjusted the new structure of fuel surcharge from the current temporary structure. This new structure has been approved by the Civil Aviation Board on 27th September 2006 which are as follow:

- TC1, TC2 and South West Pacific
 - All items (except agricultural products), will be started at 6THB/kg.
 - Agricultural products will be charged at a half of above charged.
- TC3 and Middle East
 - All items (except agricultural products), will be charged at a half of all items of TC1,TC2 and South West Pacific
 - Agricultural products will be implemented at a half of above charged.

Details of fraction calculation:

- The fraction of Baht equal or greater than 0.50 shall be rounded up to 1.00 Baht.

- The fraction of Baht less than 0.50 shall be rounded down.

TG's Fuel Surcharge Announcement

The Average fuel price index during 01 -15 DEC 2016 = 251

The fuel surcharge ex Thailand, effective as of 01 JAN 2017 until further notice

TC1, TC2 and South West Pacific

General Cargo	THB 19/ kg
---------------	------------

Perishable Cargo (Agricultural and food Stuff only)	THB 10/ kg
---	------------

TC3 and Middle East

General Cargo	THB 10/ kg
---------------	------------

TC3 (Except Middle East) No Charge

Perishable Cargo (Agricultural and food Stuff only)	No Charge
---	-----------

Middle East Charge

Perishable Cargo (Agricultural and food Stuff only)	THB 5/ kg
---	-----------

**** Remark**

The Methodology of Fuel Surcharge which is approved by Civil Aviation Board can be referred as below.

[Average 15 days fuel price and fuel index](#)

These fuel surcharges will be adjusted according to the fuel price index. Details of new surcharge structure are shown below:

These fuel surcharge will be adjusted according to the fuel price index. Details of new surcharge structure are shown below :

Fuel Price Index **exceeds 125** for **an average 15 days :**

- For shipment to **TC1, TC2** and **South West Pacific**, fuel Surcharge will be implemented to all items at **6 THB/kg** except **agricultural products**, fuel Surcharge will be implemented at **3 THB/kg**.

- For shipment to **TC3 except South West Pacific**, fuel Surcharge will be implemented to all items at **3 THB/kg**.
except **agricultural products**, fuel Surcharge will be implemented at **2 THB/kg**.

Fuel Price Index **exceeds 150** for **an average 15 days** :

- For shipment to **TC1, TC2 and South West Pacific**, fuel Surcharge will be adjusted to **9 THB/kg** on all items
except **agricultural products**, fuel Surcharge will be adjusted to **5 THB/kg**
- For shipment to **TC3 except South West Pacific**, fuel Surcharge will be adjusted to **5 THB/kg**.
except **agricultural products**, fuel Surcharge will be implemented at **3 THB/kg**.

Fuel Price Index **exceeds 175** for **an average 15 days** :

- For shipment to **TC1, TC2 and South West Pacific**, fuel Surcharge will be adjusted to **11THB/kg** on all items
except **agricultural products**, fuel Surcharge will be adjusted to **6 THB/kg**
- For shipment to **TC3 except South West Pacific**, fuel Surcharge will be adjusted to **6 THB/kg**.
except **agricultural products**, fuel Surcharge will be adjusted to **6 THB/kg**

Fuel Price Index **exceeds 200** for **an average 15 days** :

- For shipment to **TC1, TC2 and South West Pacific**, fuel Surcharge will be adjusted to **14 THB/kg** on all items
except **agricultural products**, fuel Surcharge will be adjusted to **7 THB/kg**
- For shipment to **TC3 except South West Pacific**, fuel Surcharge will be adjusted to **7 THB/kg**.
except **agricultural products**, fuel Surcharge will be adjusted to **4 THB/kg**

Fuel Price Index **exceeds 225** for **an average 15 days** :

- For shipment to **TC1, TC2 and South West Pacific**, fuel Surcharge will be adjusted to **16 THB/kg** on all items
except **agricultural products**, fuel Surcharge will be adjusted to **8 THB/kg**
- For shipment to **TC3 except South West Pacific**, fuel Surcharge will be adjusted to **8 THB/kg**.
except **agricultural products**, fuel Surcharge will be adjusted to **4 THB/kg** .

Fuel Price Index **exceeds 250** for **an average 15 days** :

- For shipment to **TC1, TC2 and South West Pacific**, fuel Surcharge will be adjusted to **19THB/kg** on all items
except **agricultural products**, fuel Surcharge will be adjusted to **10 THB/kg**
- For shipment to **TC3 except South West Pacific**, fuel Surcharge will be adjusted to **10 THB/kg**.
except **agricultural products**, fuel Surcharge will be adjusted to **5 THB/kg**

Fuel Price Index **exceeds 275** for **an average 15 days** :

- For shipment to **TC1, TC2 and South West Pacific**, fuel Surcharge will be adjusted to **21 THB/kg** on all items
except **agricultural products**, fuel Surcharge will be adjusted to **11 THB/kg**
- For shipment to **TC3 except South West Pacific**, fuel Surcharge will be adjusted to **11 THB/kg**.
except **agricultural products**, fuel Surcharge will be adjusted to **6 THB/kg**

Fuel Price Index **exceeds 300** for **an average 15 days** :

- For shipment to **TC1, TC2 and South West Pacific**, fuel Surcharge will be adjusted to **24 THB/kg** on all items
except **agricultural products**, fuel Surcharge will be adjusted to **12 THB/kg**
- For shipment to **TC3 except South West Pacific**, fuel Surcharge will be adjusted to **12 THB/kg**.
. except **agricultural products**, fuel Surcharge will be adjusted to **6 THB/kg**

Fuel Price Index **exceeds 325** for **an average 15 days** :

- For shipment to **TC1, TC2 and South West Pacific**, fuel Surcharge will be adjusted to **26 THB/kg** on all items
except **agricultural products**, fuel Surcharge will be adjusted to **13 THB/kg**
- For shipment to **TC3 except South West Pacific**, fuel Surcharge will be adjusted to **13 THB/kg**.
except **agricultural products**, fuel Surcharge will be adjusted to **7 THB/kg**

Fuel Price Index **exceeds 350** for **an average 15 days** :

- For shipment to **TC1, TC2 and South West Pacific**, fuel Surcharge will be adjusted to **29 THB/kg** on all items
except **agricultural products**, fuel Surcharge will be adjusted to **15 THB/kg**
- For shipment to **TC3 except South West Pacific**, fuel Surcharge will be adjusted to **15 THB/kg**.

Fuel Price Index **exceeds 600** for **an average 15 days** :

- For shipment to **TC1, TC2 and South West Pacific**, fuel Surcharge will be adjusted to **54 THB/kg** on all items except **agricultural products**, fuel Surcharge will be adjusted to **27 THB/kg**
- For shipment to **TC3 except South West Pacific**, fuel Surcharge will be adjusted to **27 THB/kg**. except **agricultural products**, fuel Surcharge will be adjusted to **14 THB/kg**

Fuel Price Index **exceeds 625** for **an average 15 days** :

- For shipment to **TC1, TC2 and South West Pacific**, fuel Surcharge will be adjusted to **56 THB/kg** on all items except **agricultural products**, fuel Surcharge will be adjusted to **28 THB/kg**
- For shipment to **TC3 except South West Pacific**, fuel Surcharge will be adjusted to **28 THB/kg**. except **agricultural products**, fuel Surcharge will be adjusted to **14 THB/kg**

Fuel Price Index **exceeds 650** for **an average 15 days** :

- For shipment to **TC1, TC2 and South West Pacific**, fuel Surcharge will be adjusted to **59 THB/kg** on all items except **agricultural products**, fuel Surcharge will be adjusted to **30 THB/kg**
- For shipment to **TC3 except South West Pacific**, fuel Surcharge will be adjusted to **30 THB/kg**. except **agricultural products**, fuel Surcharge will be adjusted to **15 THB/kg**

Fuel Price Index **exceeds 675** for **an average 15 days** :

- For shipment to **TC1, TC2 and South West Pacific**, fuel Surcharge will be adjusted to **61 THB/kg** on all items except **agricultural products**, fuel Surcharge will be adjusted to **31 THB/kg**
- For shipment to **TC3 except South West Pacific**, fuel Surcharge will be adjusted to **31 THB/kg**. except **agricultural products**, fuel Surcharge will be adjusted to **16 THB/kg**

Fuel Price Index **exceeds 700** for **an average 15 days** :

- For shipment to **TC1, TC2 and South West Pacific**, fuel Surcharge will be adjusted to **64 THB/kg** on all items except **agricultural products**, fuel Surcharge will be adjusted to **32 THB/kg**
- For shipment to **TC3 except South West Pacific**, fuel Surcharge will be adjusted to **32 THB/kg**. except **agricultural products**, fuel Surcharge will be adjusted to **16 THB/kg**

Fuel Price Index **at 700 or below** for **an average 15 days** :

- For shipment to **TC1, TC2 and South West Pacific**, fuel Surcharge will be reduced on all items to a level of **64 THB/kg** except **agricultural products**, fuel Surcharge will be reduced to a level of **32 THB/kg**
- For shipment to **TC3 except South West Pacific**, fuel Surcharge will be reduced to a level of **32 THB/kg**. except **agricultural products**, fuel Surcharge will be reduced to a level of **16 THB/kg**

Fuel Price Index **at 675 or below** for **an average 15 days** :

- For shipment to **TC1, TC2 and South West Pacific**, fuel Surcharge will be reduced on all items to a level of **61 THB/kg** except **agricultural products**, fuel Surcharge will be reduced to a level of **31 THB/kg**
- For shipment to **TC3 except South West Pacific**, fuel Surcharge will be reduced to a level of **31 THB/kg**. except **agricultural products**, fuel Surcharge will be reduced to a level of **16 THB/kg**

Fuel Price Index **at 650 or below** for **an average 15 days** :

- For shipment to **TC1, TC2 and South West Pacific**, fuel Surcharge will be reduced on all items to a level of **59 THB/kg** except **agricultural products**, fuel Surcharge will be reduced to a level of **30 THB/kg**
- For shipment to **TC3 except South West Pacific**, fuel Surcharge will be reduced to a level of **30 THB/kg**. except **agricultural products**, fuel Surcharge will be reduced to a level of **15 THB/kg**

Fuel Price Index **at 625 or below** for **an average 15 days** :

- For shipment to **TC1, TC2 and South West Pacific**, fuel Surcharge will be reduced on all items to a level of **56 THB/kg** except **agricultural products**, fuel Surcharge will be reduced to a level of **28 THB/kg**
- For shipment to **TC3 except South West Pacific**, fuel Surcharge will be reduced to a level of **28 THB/kg**. except **agricultural products**, fuel Surcharge will be reduced to a level of **14 THB/kg**

Fuel Price Index **at 600 or below** for **an average 15 days** :

- For shipment to **TC1, TC2 and South West Pacific**, fuel Surcharge will be reduced on all items to a level of **54 THB/kg** except **agricultural products**, fuel Surcharge will be reduced to a level of **27 THB/kg**
- For shipment to **TC3 except South West Pacific**, fuel Surcharge will be reduced to a level of **27 THB/kg**.

-For shipment to **TC3 except South West Pacific**, fuel Surcharge will be reduced to a level of **3 THB/kg**.
except **agricultural products**, fuel Surcharge will be reduced to a level of **2 THB/kg**

- Fuel Price Index **below 100** for **an average 15 days** ,Fuel Surcharge will be suspended.

- **All changes to the Fuel Surcharge will take place on the 1st or 16th of the month**

Remark :

1. Index 100 = 60 US Cents / Gallon
2. Fuel Surcharge is based on **chargeable weight**.
3. For Shipments of “Time Definite for Perishable Product” (TGFresh) to TC1, TC2 and South West Pacific, fuel surcharge will be charged at a half of Agricultural Products’ rates.

Reference : The fuel index is based on the average price of Jet Fuel on Singapore market.
