

Due to the severity of Coronavirus Disease 2019 (COVID-19) pandemic with the report of the new cluster at Suvarnabhumi Airport, in consequence, THAI Cargo Terminal Service (DX) is taking appropriate precautionary measures to ensure a safe environment for customers and our staff, as follows

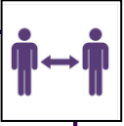

**Service staff and customers must wear a face mask as all time and take temperature screening before entering THAI Cargo Terminal**

**Hand free sanitizers are provided at screening point and all entrances**

**Canteen is available for only takeaway service. Dine-in service is not allowed**

**The number of customers is limited at maximum 20 persons and social distancing is practiced in Cashier Room**

**Consistent disinfectant spraying is carried out in service-space and common areas in THAI Cargo Terminal since last April 2021**
