

# THAI Cargo's pets handling

Do you know...how your pets will be handled in the cargo warehouse?

## Inbound

Pick up from the cargo compartment by well-trained staff

Bring the pets into the AVI Room accommodation

Deliver the pets to the owners or the shippers

## Outbound

Receive the pets from the owners or the shippers

Bring the pets into the AVI Room accommodation

Transfer to the aircraft (cargo compartment) by well-trained staff

**AVI ROOM**

### What do we do in the AVI (Live Animal) Room?

In-room temperature 20 - 25 °C

Feeding as per the owners' requirements
