Methodology

With effective from 01 October 2006, TG has adjusted the new structure of fuel surcharge from the current temporary structure. This new structure has been approved by the Civil Aviation Board on 27th September 2006 which are as follow :

- TC-1, TC-2 and South West Pacific
 - All items (except agricultural products), will be started at 6 THB/Kg.
 - Agricultural products will be charged at a half of above charged.
- TC-3 and Middle East
 - All items (except agricultural products), will be charged at a half of all items of TC-1, TC-2 and South West Pacific
 - Agricultural products will be implemented at a half of above charged.

Details of fraction calculation:

- The fraction of THB equal or greater than 0.50 shall be rounded up to 1.00 THB
- The fraction of THB less than 0.50 shall be rounded down.

The Average fuel price index during 16 – 31 MAR 2026 = 847

Unit : THB per Kg.

- These fuel surcharges will be adjusted according to the fuel price index. Details of new surcharge structure are shown below :

These fuel surcharge will be adjusted according to the fuel price index. Details of new surcharge structure are shown below :

Fuel Price Index exceeds 125 for **an average 15 days** :

- For shipment to **TC1, TC2 and South West Pacific**, fuel Surcharge will be implemented to all items at **6 THB/kg** except **agricultural products**, fuel Surcharge will be implemented at **3 THB/kg**
- For shipment to **TC3 except South West Pacific**, fuel Surcharge will be implemented to all items at **3 THB/kg** except **agricultural products**, fuel Surcharge will be implemented at **2 THB/kg**

Fuel Price Index exceeds 150 for **an average 15 days** :

- For shipment to **TC1, TC2 and South West Pacific**, fuel Surcharge will be adjusted to **9 THB/kg** on all items except **agricultural products**, fuel Surcharge will be adjusted to **5 THB/kg**
- For shipment to **TC3 except South West Pacific**, fuel Surcharge will be adjusted to **5 THB/kg** except **agricultural products**, fuel Surcharge will be implemented at **3 THB/kg**

Fuel Price Index exceeds 175 for **an average 15 days** :

- For shipment to **TC1, TC2 and South West Pacific**, fuel Surcharge will be adjusted to **11THB/kg** on all items except **agricultural products**, fuel Surcharge will be adjusted to **6 THB/kg**
- For shipment to **TC3 except South West Pacific**, fuel Surcharge will be adjusted to **6 THB/kg** except **agricultural products**, fuel Surcharge will be adjusted to **3 THB/kg**

Fuel Price Index exceeds 200 for **an average 15 days** :

- For shipment to **TC1, TC2 and South West Pacific**, fuel Surcharge will be adjusted to **14 THB/kg** on all items except **agricultural products**, fuel Surcharge will be adjusted to **7 THB/kg**
- For shipment to **TC3 except South West Pacific**, fuel Surcharge will be adjusted to **7 THB/kg** except **agricultural products**, fuel Surcharge will be adjusted to **4 THB/kg**

Fuel Price Index exceeds 225 for **an average 15 days** :

- For shipment to **TC1, TC2 and South West Pacific**, fuel Surcharge will be adjusted to **16 THB/kg** on all items except **agricultural products**, fuel Surcharge will be adjusted to **8 THB/kg**
- For shipment to **TC3 except South West Pacific**, fuel Surcharge will be adjusted to **8 THB/kg** except **agricultural products**, fuel Surcharge will be adjusted to **4 THB/kg**

Fuel Price Index exceeds 250 for **an average 15 days** :

-For shipment to **TC1, TC2 and South West Pacific**, fuel Surcharge will be adjusted to **19THB/kg** on all items except **agricultural products**, fuel Surcharge will be adjusted to **10 THB/kg**

-For shipment to **TC3 except South West Pacific**, fuel Surcharge will be adjusted to **10 THB/kg** except **agricultural products**, fuel Surcharge will be adjusted to **5 THB/kg**

Fuel Price Index exceeds 275 for **an average 15 days** :

-For shipment to **TC1, TC2 and South West Pacific**, fuel Surcharge will be adjusted to **21 THB/kg** on all items except **agricultural products**, fuel Surcharge will be adjusted to **11 THB/kg**

-For shipment to **TC3 except South West Pacific**, fuel Surcharge will be adjusted to **11 THB/kg** except **agricultural products**, fuel Surcharge will be adjusted to **6 THB/kg**

Fuel Price Index exceeds 300 for **an average 15 days** :

-For shipment to **TC1, TC2 and South West Pacific**, fuel Surcharge will be adjusted to **24 THB/kg** on all items except **agricultural products**, fuel Surcharge will be adjusted to **12 THB/kg**

-For shipment to **TC3 except South West Pacific**, fuel Surcharge will be adjusted to **12 THB/kg** except **agricultural products**, fuel Surcharge will be adjusted to **6 THB/kg**

Fuel Price Index exceeds 325 for **an average 15 days** :

- For shipment to **TC1, TC2 and South West Pacific**, fuel Surcharge will be adjusted to **26 THB/kg** on all items except **agricultural products**, fuel Surcharge will be adjusted to **13 THB/kg**

- For shipment to **TC3 except South West Pacific**, fuel Surcharge will be adjusted to **13 THB/kg** except **agricultural products**, fuel Surcharge will be adjusted to **7 THB/kg**

Fuel Price Index exceeds 350 for **an average 15 days** :

-For shipment to **TC1, TC2 and South West Pacific**, fuel Surcharge will be adjusted to **29 THB/kg** on all items except **agricultural products**, fuel Surcharge will be adjusted to **15 THB/kg**

-For shipment to **TC3 except South West Pacific**, fuel Surcharge will be adjusted to **15 THB/kg** except **agricultural products**, fuel Surcharge will be adjusted to **8 THB/kg**

Fuel Price Index exceeds 375 for **an average 15 days** :

-For shipment to **TC1, TC2 and South West Pacific**, fuel Surcharge will be adjusted to **31 THB/kg** on all items except **agricultural products**, fuel Surcharge will be adjusted to **16THB/kg**

-For shipment to **TC3 except South West Pacific**, fuel Surcharge will be adjusted to **16 THB/kg** except **agricultural products**, fuel Surcharge will be adjusted to **8 THB/kg**

Fuel Price Index exceeds 400 for **an average 15 days** :

-For shipment to **TC1, TC2 and South West Pacific**, fuel Surcharge will be adjusted to **34 THB/kg** on all items except **agricultural products**, fuel Surcharge will be adjusted to **17 THB/kg**

-For shipment to **TC3 except South West Pacific**, fuel Surcharge will be adjusted to **17 THB/kg** except **agricultural products**, fuel Surcharge will be adjusted to **9 THB/kg**

Fuel Price Index exceeds 425 for **an average 15 days** :

-For shipment to **TC1, TC2 and South West Pacific**, fuel Surcharge will be adjusted to **36 THB/kg** on all items except **agricultural products**, fuel Surcharge will be adjusted to **18 THB/kg**

-For shipment to **TC3 except South West Pacific**, fuel Surcharge will be adjusted to **18 THB/kg** except **agricultural products**, fuel Surcharge will be adjusted to **9 THB/kg**

Fuel Price Index exceeds 450 for **an average 15 days** :

-For shipment to **TC1, TC2 and South West Pacific**, fuel Surcharge will be adjusted to **39 THB/kg** on all items except **agricultural products**, fuel Surcharge will be adjusted to **20 THB/kg**

-For shipment to **TC3 except South West Pacific**, fuel Surcharge will be adjusted to **20 THB/kg** except **agricultural products**, fuel Surcharge will be adjusted to **10 THB/kg**

Fuel Price Index exceeds 475 for **an average 15 days** :

-For shipment to **TC1, TC2 and South West Pacific**, fuel Surcharge will be adjusted to **41 THB/kg** on all items except **agricultural products**, fuel Surcharge will be adjusted to **21 THB/kg**

-For shipment to **TC3 except South West Pacific**, fuel Surcharge will be adjusted to **21 THB/kg** except **agricultural products**, fuel Surcharge will be adjusted to **11 THB/kg**

Fuel Price Index exceeds 500 for **an average 15 days** :

-For shipment to **TC1, TC2 and South West Pacific**, fuel Surcharge will be adjusted to **44 THB/kg** on all items except **agricultural products**, fuel Surcharge will be adjusted to **22 THB/kg**

-For shipment to **TC3 except South West Pacific**, fuel Surcharge will be adjusted to **22 THB/kg** except **agricultural products**, fuel Surcharge will be adjusted to **11 THB/kg**

Fuel Price Index exceeds 525 for **an average 15 days** :

-For shipment to **TC1, TC2 and South West Pacific**, fuel Surcharge will be adjusted to **46 THB/kg** on all items except **agricultural products**, fuel Surcharge will be adjusted to **23 THB/kg**

-For shipment to **TC3 except South West Pacific**, fuel Surcharge will be adjusted to **23 THB/kg** except **agricultural products**, fuel Surcharge will be adjusted to **12 THB/kg**

Fuel Price Index exceeds 550 for **an average 15 days** :

-For shipment to **TC1, TC2 and South West Pacific**, fuel Surcharge will be adjusted to **49 THB/kg** on all items except **agricultural products**, fuel Surcharge will be adjusted to **25 THB/kg**

-For shipment to **TC3 except South West Pacific**, fuel Surcharge will be adjusted to **25 THB/kg** except **agricultural products**, fuel Surcharge will be adjusted to **13 THB/kg**
